

An underwater photograph showing several people swimming in clear blue water above a vibrant coral reef. In the foreground, a young girl in a purple shirt and yellow goggles looks directly at the camera with her hand on her chin. To her left, a woman in a black and pink swimsuit with blue goggles swims. Other swimmers are visible in the background, some in blue and black swimwear. The scene is bright and colorful, capturing a moment of leisure and exploration.

What are the dreams and what do people need them for? Let's reflect about this topic a little.

*Obviously, there is the reality  
in this world.*

*But without  
a doubt,  
there are  
dreams as  
well.*

*So, what is it...*

*...and why is it so important  
for people to dream sometimes?*

*In fact, it has a simple explanation.  
Our life is like a difficult road  
with a big set of rules.*

*But dreams allow any soul to push  
any rules and limitations aside,*

*...and in a second find  
ourselves in a place,*

*...where we really want to be.*

*And it is quite possible that dreams  
are an invisible but existing reality.  
Just like radio waves, for example.*

*And, then who knows what role  
the dreamers really play in this world...*

*Of course, different people  
have different dreams.*

*Sometimes they may be amusing,*

*...sometimes,  
they may  
not seem too  
reasonable.*

*So what?  
That's why  
they are  
dreams!*

*What do  
people like  
to dream  
about most  
of all?*

*In fact, there is a countless number  
of things to dream about in the world.*

*There are  
dreams  
about  
simple  
things,*

*...and about big or complex ones.*

Someone  
dreams about  
an interesting hobby.

A woman with long blonde hair, wearing a dark tank top and shorts, is sitting on a large, weathered piece of driftwood on a sandy beach. The driftwood is positioned horizontally across the foreground. In the background, the ocean waves are breaking onto the shore, and the sky is a clear, vibrant blue. A large, white, fluffy cloud in the sky is shaped like the map of Australia. The text "And others want to take a trip to a beautiful country." is overlaid on the right side of the image in a white, serif font with a slight shadow.

*And others  
want to take a trip  
to a beautiful  
country.*

*Those who value feelings most  
of all dream about true friendship,*

*...and about  
unforgettable  
meetings.*

*However, the most important  
dreams in humanity are still  
the dreams about love.*

*(Well, or about  
a very big love...)*

*Nothing changes here for thousands  
of years. And it's great.*

*Actually, a suspiciously great number of sages said that dreams tend to come true,*

*...or, in other words,  
they can be reflected in our real life.*

*So maybe later we will all discover  
that dreaming is...*

*...not such  
a useless  
activity...*

*What do we know about dreams*

An underwater photograph showing several people swimming in clear blue water. In the foreground, there is a large, vibrant coral reef with various colors like yellow, orange, and green. The water is bright and clear, with sunlight filtering through from above. The overall scene is peaceful and scenic.

*What are the dreams  
and what do people  
need them for?*

*Let's reflect about  
this topic a little.*
